

Tetbury Art Society

President HRH The Prince of Wales
Chairperson Mr Michael Kingham

The Tetbury Art Society started in 1977 and the object is to promote the appreciation and practice of the fine arts.

We meet on the first Wednesday of the month in St. Michael's church hall at 7.45 pm – 9.30 pm, for talks, demonstrations and working evenings. Summer trips and visits are organised where and whenever possible.

We organise exhibitions for members during the year in the Town Hall which are well attended by guests and the public.

It is hoped that members who exhibit will assist in some way e.g. setting up, hanging and stewarding. Whilst we hope to hang all pictures the final decision is at the discretion of the committee.

If you would like to join the Tetbury Art Society please complete the slip together with your cheque and send to the Membership Secretary, TAS, The Piece, Tetbury, GL8 8EB Do come along to one of our monthly meetings to see if you like us.
